RedEye Controls Extend Reach throughout Spain

ThinkFlood appoints Eutikes as exclusive distributor of RedEye controls to Spain

Waltham, MA and Barcelona, Spain – February 15, 2011 – ThinkFlood (<http://thinkflood.com/>), maker of RedEye control products, today announced Eutikes, SL (<http://www.eutikes.com/>), as exclusive distributor of RedEye products to Spain.

Eutikes provides high-end and award winning residential, commercial, and theater audio and visual components and solutions to Spain.

ThinkFlood representatives say that Eutikes' ability to deliver leading brands such as CYP, Myryad and CinemaxPro, to Spain was critical in selecting the right partner to meet demand for RedEye controls in Spain.

"We're thrilled to work with Eutikes," said Phil Davis, vice president of sales for ThinkFlood. "We have high expectations for our partners, and Eutikes has an excellent reputation for not only distributing top brands but a high level of customer service to Spain's dealers, installers and retailers."

RedEye control systems work with any PC, iPad, iPhone, or iPod touch to create affordable automation systems for the home, corporate boardroom, or production studio.

"There is high-demand for RedEye controls by installers and consumers in Spain," said Juan A. Velasco, general manager of Eutikes. "RedEye controls are well-engineered – but simple to install and use. RedEye is truly a high-end solution – but the price that is very attractive to consumers in Spain."
