

FOR IMMEDIATE RELEASE

**RedEye (Universal Remote System for iPhone and iPod Touch)
Now Most Popular Remote Control Fan Page on Facebook**

Become a RedEye fan on Facebook for a chance to win a \$7000 home theater

Waltham, MA – Nov. 24, 2009 – ThinkFlood (<http://thinkflood.com/>), maker of the RedEye personal remote control for iPhone and iPod touch, today announced that two months after launching its fan page (<http://www.facebook.com/thinkredeye>), RedEye is already the most popular remote control page on Facebook. The RedEye system (<http://redeyereMOTE.com/>) will go on sale later this fall.

With over 2,000 fans and counting, RedEye's popularity towers over all other remote control-related Facebook pages including [Bobby](#), [Unify4Life](#), [Control4](#), [Crestron](#), [Logitech Harmony One](#), [Marantz](#), [OneForAll Xsight](#), [Philips Pronto](#), and [Universal Remote Control](#).

RedEye fans receive product updates like this recent video demo of RedEye accelerometer gestures <http://www.youtube.com/watch?v=506PyY-iK1I>, and the latest remote control and home automation news from the MoreControl Blog (<http://morecontrol.com/>).

To celebrate the RedEye system's upcoming commercial availability, ThinkFlood has launched the RedEye Fan Jolt sweepstakes. If RedEye has 2,500 Facebook fans by 11:55 p.m. EST on Nov. 30, 2009, one fan will win a home theater system worth more than \$6,700. The prize package includes a Sony Bravia 52" LCD TV, Pioneer 7.2 digital A/B receiver, Paradigm 5.1 surround speakers, LG Blu-ray player, TiVo HD XL DVR, 64 GB Apple iPod touch, ThinkFlood RedEye universal remote system and more.

Visit <http://www.facebook.com/thinkredeye> to join the sweepstakes by becoming a RedEye fan. Fans are automatically entered for a chance to win — no purchase necessary. The winner will be announced on Dec. 1.

About ThinkFlood

ThinkFlood (<http://thinkflood.com/>) designs and develops hardware and software with a focus on making everyday tasks easier. Its first commercial application, the RedEye system, is an iPhone accessory and application that transforms the phone into a universal remote control and enables users to easily control almost anything in their home entertainment centers using any iPhone or iPod touch device. Founded in 2007, ThinkFlood is a privately held company headquartered in Waltham, Mass.
